

Headplate and cranial window surgery for two-photon imaging of inferior colliculus in transgenic mice

 Aaron Benson Wong  J Gerard G Borst

Updated date: Sep 28, 2021

 An abbreviated version of this protocol was published in eLIFE in Oct 2019

Tonotopic and non-auditory organization of the mouse dorsal inferior colliculus revealed by two-photon imaging

DOI: 10.7554/eLife.49091
